## #SaveATL - Place-Based Preservation Advocacy Program

### *Nomination Form*

Completed Nominations must be received by 11:59pm on the due date of the selected cycle in the “Property Information” section of the nomination.

\*Please read additional program information and deadlines below\*

#SaveATL is Historic Atlanta’s place-based preservation program. The program is aimed at raising awareness and providing direct technical assistance for the preservation of Atlanta’s historic places associated with Underrepresented Communities and/or considered a Preservation Accountability Issue.

The program assists with a wide-range of preservation efforts to recognize and protect sites on a case-by-case basis. Completion of this nomination does not guarantee acceptance of a site into the program.

Nominations are regularly considered twice a year. Spring nominations are due for consideration annually on March 1st. Fall nominations are due for consideration August 1st. Selected nominations are typically announced in the months of June and October.
